

Speech, Language Communication Needs (SLCN)

At Sheerhatch Primary, we have three Communication Champions- **Danica Kipling, Jo Worth and Naomi Whittingham**. We are there to support children, staff and parent/carers who may need some further support in this area. There are lots of tools and resources that can be used.

There are also some fantastic resources on this website.

<https://bedslutonchildrenshealth.nhs.uk/services/bedfordshire-and-luton-childrens-speech-and-language-therapy-service/>

Please get in contact with us if you wanted some more information.

This Year we are working to get the Communication Friendly Award to recognise all the provision in place to support with meeting children's communication needs.

Come along to our coffee morning with a particular focus on SLCN (4th June at 2pm-3pm: Cople site)
